Celebrating 25 Years on Campus Corner

Wednesday, May 8 at 7:00 p.m.

Closing Eucharist / Deconsecration
of the Canterbury space on Campus Corner.

After 25 years at 519 W University, the Canterbury Center will be moving out of their space at the end of this semester. Join us as we welcome Bishop Poulson Reed to celebrate the continuing impact of our important and life-giving ministry. We may be saying goodbye to this place but we are faithful that, united in prayer and the Holy Spirit's guidance, a bright future awaits. Together we are so much more than the brick and mortar that surround us. All alumni and friends are invited to celebrate and bid farewell to the Canterbury Center on Campus Corner. Please spread the word!

Dinner will be served by B&B Burgers & More following the service. Please RSVP to Fr. Jeff or on the facebook event page.

**** Secularizing a Consecrated building:** the Deconsecration Service is used to deconsecrate (removal of a religious blessing from something that had been previously consecrated for religious use) and secularize a consecrated building that is to be used for other purposes. The form for this service is provided in the Book of Occasional Services.
