Pub Theology

Tuesday, June 11 @ 8:00 pm @ Atherton Hotel

"In the beginning God created the heavens and the earth."

What are we to make of this and the following statements in Genesis 1?

- Didn't heaven already exist?
- Isn't the universe older than the earth?
- What is means by 'the beginning'?
- Beginning of what?
- What was God doing before He did this?

We will discuss these and other aspects of Genesis at Pub Theology in our usual informal and friendly atmosphere. Please join us.
